

National screening programmes

- The NHS provides national screening programmes so that certain diseases can be detected at an early stage.
- These screening programmes include bowel cancer, breast cancer, cervical cancer, aortic aneurysms and a diabetic eye screening service.
- The law allows us to share your contact information with Public Health England so that you can be invited to the relevant screening programme.
- More information can be found at: <https://www.gov.uk/topic/population-screening-programmes> or speak to the practice.

We are required by law to provide you with the following information about how we handle your information in relation to our legal obligations to share data.

Data Controller contact details	Chilcote Surgery, Dewerstone, Practice, Hampton Avenue, St Marychurch, Torquay, TQ1 3LA
Data Protection Officer contact details	Delt Shared Service Ltd, BUILDING 2 – DELT, Derriford Business Park, Plymouth, PL6 5QZ d-ccg.deltppo@nhs.net
Purpose of the processing	<ul style="list-style-type: none">• The NHS provides several national health screening programmes to detect diseases or conditions early such as cervical and breast cancer, aortic aneurysm and diabetes.• The information is shared so that the correct people are invited for screening. This means those who are most at risk can be offered treatment.
Lawful basis for processing	<p>The following sections of the GDPR allow us to contact patients for screening.</p> <p>Article 6(1)(e) – ‘processing is necessary...in the exercise of official authority vested in the controller...’</p> <p>Article 9(2)(h) – ‘processing is necessary for the purpose of preventative...medicine...the provision of health or social care or treatment or the management of health or social care systems and services...’</p>

Recipient or categories of recipients of the processed data	The data will be shared with local healthcare organisations.
Rights to object	<p>For national screening programmes: you can opt so that you no longer receive an invitation to a screening programme. See: https://www.gov.uk/government/publications/opting-out-of-the-nhs-population-screening-programmes</p> <p>Or speak to your practice.</p>
Right to access and correct	<ul style="list-style-type: none"> You have the right to access your medical record and have any errors or mistakes corrected. Please speak to a member of staff or look at our 'subject access request' policy on the practice website here. We are not aware of any circumstances in which you will have the right to delete correct information from your medical record; although you are free to obtain your own legal advice if you believe there is no lawful purpose for which we hold the information and contact us if you hold a different view.
Retention period	<p>GP medical records will be kept in line with the law and national guidance. Information on how long records can be kept can be found at: https://digital.nhs.uk/article/1202/Records-Management-Code-of-Practice-for-Health-and-Social-Care-2016 or speak to the practice.</p>
Right to complain	<p>You have the right to complain to the Information Commissioner's Office. If you wish to complain follow this link https://ico.org.uk/global/contact-us/ or call the helpline 0303 123 1113</p>
Data we get from other organisations	<p>We receive information about your health from other organisations who are involved in providing you with health and social care. For example, if you go to hospital for treatment or an operation the hospital will send us a letter to let us know what happens. This means your GP medical record is kept up-to date when you receive care from other parts of the health service.</p>

General Practice Data for Planning and Research Data Collection (GPDfPR)

As well as using your information to support the delivery of care to you, your data may be used by NHS Digital to help improve the way health and social care is delivered to patients and service users throughout England. From the 1st July 2021, NHS Digital will securely extract your information to provide access to patient data to the NHS and other organisations who need to use it, to improve health and social care for everyone.

NHS Digital will primarily use your information in a way that does not identify you (your information will be pseudonymised). However, they will be able to use their software to identify you in certain circumstances, and where there is a valid legal reason to do

so. NHS Digital may also share your information with third parties such as Local Authorities, primary care networks (PCNs), clinical commissioning groups (CCGs), research organisations, including universities, and pharmaceutical companies.

At the time of publication (May 2021), patients who have a “type 1” opt- out, will be excluded from this programme and will not have their data extracted for this purpose.

Further information about GPDfPR can be found here: <https://digital.nhs.uk/data-and-information/data-collections-and-data-sets/data-collections/general-practice-data-for-planning-and-research/transparency-notice>

We will rely on Legal Obligation (Article (6)(1)(c)), Health and Social Care (Article 9(2)(h)) and Public Health (Article (9)(2)(i)) as the legal basis for processing your data for this purpose.
